One Thing

Bible Plan

We live in a crazy-busy world, and it is showing no signs of slowing down. Almost every moment of every day we are bombarded with all kinds of requests, tasks and appointments that demand our attention and steal our time. Many of these things are important and unavoidable, but if we're not careful, it can be very easy for the 'important' to swallow up the 'essential'.

In an encounter with a 'crazy-busy' person Jesus explained that only **one thing** is really necessary. He was referring to a young lady (her name was Mary) who refused to get consumed by the many demands and needs of the day, but instead chose to sit at His feet and listen to His voice. 'She has chosen what is best' Jesus said, 'and it will never be taken away from her' (see Luke 10:38-42).

Jesus' teaching is still as real, and powerful and relevant today as it was back then. Many things are important, but only **one thing** is necessary. So there is no greater investment you can make in 2019 than to make space and time in your life for sitting at the feet of Jesus and listening to His voice.

So we are delighted that you have chosen to pick up this reading plan. We are confident that as you open the scriptures and listen to the voice of Jesus, your life will be transformed.

You will notice that this particular plan is unlike a conventional reading schedule. The aim is not to try and get through the whole bible in a year, but rather just to read one book each month. This year we want you to **read less and think** more. The reason for this is to encourage slower, but deeper reading. God really does want to speak to you through the scriptures, so as you follow this plan, read slowly and read carefully, and perhaps begin to think of it less as 'reading the word', and more as 'listening to His voice.'

Readings are given for each weekday, leaving you with weekends to catch up if you fall behind. To help you engage with each reading there will be vlogs, blogs, articles and other resources posted on the '**Sunnyhill's One Group**' facebook page each day, so feel free to join in by becoming a member of the group.

Thanks again for picking up this plan. We are praying that your love for Jesus will grow and grow and grow as you open up the scriptures in 2019.

Only one thing is necessary... Luke 10:42
